

Immunization Certification

OCG's new school district (Ocean View) requires that all of our students be immunized according to the regulations of the State of California. All students have to meet these standards in order to attend any public school.

Please fill out a separate form for each of your children and return to the PA office (Room 10).

Child's Name _____

Class at OCG _____

Name of Local School _____

Address of Local School _____

Parent Certification

I certify that my child attends the public school listed above, and has met all immunization requirements of that school.

Parent's Name _____

Relationship to child _____
